Dear Parents/Guardians,

With Almighty's blessings and your cooperation, the academic year 2018-19 has been a great success. We have turned another page in the academic pursuit of our children. My best wishes are with all the students. As we stand at the threshold of a new academic year, I would like to apprise you of some of the upcoming events and changes in our school.

**Mrs. Nazneen Chowdhry**, after her superannuation in August 2017, continued her service in our school as PGT-Biology till March 31, 2019. She taught generations of students in our school. On behalf of all the students and their parents, I thank Mrs. Nazneen Chowdhry for her dedicated service for the past several decades. May God continue to bless her with joy, happiness and good health in her life ahead.

**Diamond Jubilee Celebrations:** This year our school has achieved another milestone in its educational endeavour in the capital city of our country. This year we celebrate the Diamond Jubilee of its inception. We will complete 60 Diamond years on 4<sup>th</sup> January 2020. A brochure with the history of the school's 60 years has already been published and distributed among the students. A number of programmes are being organized as part of the Jubilee celebrations. As a part of this, a musical play is being planned in the month of October 2019. We thank the Almighty for the countless blessings bestowed on this institution since its founding.

With great pleasure and immense pride we would like to inform you about the noble work initiated by the 1985 batch of students of our school who have established 'X-85 Trust Fund' and educating 25 students from economically weaker families in our school presently. As part of the Diamond Jubilee celebrations, they are planning more such yeomen service. We also encourage other batches of Xaverians and parents of all students to come forward and join such initiatives.

**Parents' ID :** Last year we issued identity card to all the parents/guardians. This has been done in view of the safety and security of our students. The Directorate of Education has issued guidelines making it mandatory that all persons entering the school campus should be under strict monitoring. Therefore, all parents/guardians coming to school during the school hours should carry their ID cards. Kindly do not be offended when you are asked to produce your ID at the gate or when you are asked to enter your details in the register kept at the gate. It is all part of the regulations issued by the government. If any parent/guardian has lost the ID and wants to get it replaced, kindly contact the Vice

Dear X-85 Xaverians,

The aim of education at St. Xavier's is to 'form leaders in service, men and women of competence, conscience and compassionate commitment.' It gives us immense pleasure to acknowledge that the batch of 1985, after having imbibed the true qualities of a Xaverian, has come forward to be the harbingers of social changes by giving a helping hand to the school's yeoman service of giving voice to the voiceless and power to the powerless through education. Started in 2012-13 by giving a donation of rupees two lakhs and fifteen thousand for the education of two students, today this help has been widened to benefit 35 students in our school who are fully sponsored by the 'Delhi Xavier's 85 Trust'. This act of compassion for the underprivileged is truly a fire that kindles other fires.

We are proud to acknowledge the commitment and loyalty of 85 batch once again and we look forward to more such passionate Xaverians joining your mission,

May God bless you all abundantly,

Yours sincerely,
